

## The FAFSA: the most important financial aid form you'll ever fill out

The Free Application for Federal Student Aid, or FAFSA, is used by colleges and the federal government to determine your eligibility for grants, need-based scholarships, loans and work-study programs.

The FAFSA becomes available each year on October 1, and the sooner you submit it, the more aid will be available to you. Each school and some states have their own priority deadlines as well. You can [look up your state's deadline here](#).

## Get Ready!

Filing the FAFSA isn't as complicated or time-consuming as it sounds – a little preparation will help make the process go smoothly. Use [this worksheet](#) to get a sneak preview of what the form looks like and the questions it asks!

Before you can submit your FAFSA, you'll need to [create your FSA ID](#). You'll need an FSA ID to log in to your account, sign the FAFSA and make changes or add schools. You and your parent must create separate FSA IDs.

## Get Help

Don't worry about getting stuck while you're filling out the FAFSA – lots of help is available, starting with your school's financial aid office. They'll help you with any questions you have at any step of the process.

On the FAFSA app and website, there are tooltips next to each question, [detailed help pages](#) and a chat option. There's also an 800 number to call (1-800-4FED-AID).
