

**COMPUTER SCIENCE**  
**Graduate Survey Data**

**Overview of Data**

Each year the Office of Career & Professional Development surveys new graduates about their post-graduation pursuits to learn whether they have secured employment, are attending graduate school, or are full-time volunteering. Graduate data is gathered through online surveys, college records, and LinkedIn. Tables below include information for the classes of 2011, 2012, 2013, 2014, 2015, and 2016.

**Computer Science Graduate Survey Data**

The below results are specific to graduates who indicated they were computer science majors when replying to the surveys. (Note: the numbers might not add up because not all respondents completed all survey questions)

Grad Year	# of Graduates	# Grads with Data	# Employed	# Attending Grad School	Average Salary
2016	17	11	7	0	\$55,001-\$65,000
2015	13	13	13	0	\$50,001-\$60,000
2014	6	5	5	0	\$50,001-\$60,000
2013	5	4	3	1	\$40,001-\$50,000
2012	8	3	3	0	\$40,001-\$50,000
2011	6	5	4	1	\$30,001-\$40,000

**Computer Science Employment Data**

Below is a sample of employers and position titles as reported by SNC graduates

Job Title	Employer	Location of Employers
Programmer	Acuity Insurance	Wisconsin
Programmer	Associated Bank	Wisconsin
Software Engineer	Avalara	Wisconsin
Application Developer	Breakthrough Fuel	Wisconsin
Software Developer	Dell	Wisconsin
Developer	Epic	Wisconsin
Software Developer	Epic	Wisconsin
System Developer Intern	Expera Speciality Solutions	Wisconsin
Digital Technology Leadership	GE Healthcare	Wisconsin
Programmer/Analyst	Georgia-Pacific, LLC	Wisconsin
Associate CAD Programmer	KI	Wisconsin
Web Application Developer	Lawrence University	Wisconsin
Volunteer	Norbertine Volunteer Community	Wisconsin
Business Insights IT/ Process Automation Modler	Schneider National	Wisconsin
Software Developer	Schreiber Foods	Wisconsin
Project Manager	SchoolCenter	Illinois
Director International Sales	Thermo Fischer	Wisconsin
Associate Infrastructure Engineer	Thrivent Financial	Wisconsin

---

Associate Programmer Analyst	WEC Energy Group	Wisconsin
IT Infrastructure Consultant	WEC Energy Group	Wisconsin
Configuration Developer	West Bend Mutual Ins.	Wisconsin

**Computer Science Graduate School Data**

Below is a sample of graduate schools and programs as reported by SNC graduates

<b>Programs</b>	<b>Universities</b>
Computer Science	University of Minnesota – Twin Cities

**All Majors Graduate Survey Data**

The results below are reflective of all graduates who completed the Graduate Survey  
 (Note: the percentages might not add up to 100% as Military and Other categories are not included)

Grad Year	# of Grads	# of Responses	Response Rate	Working Full-Time	Working Part-Time	Seeking Employment	Full-Time Volunteer	Average Salary	Attending Grad School
2016	506	298	59.0%	77.0%		5.2%	1.0%	\$35,001-\$45,000	13.3%
2015	505	262	51.9%	75.9%		4.0%	3.2%	\$35,001-\$45,000	14.3%
2014	506	275	54.4%	70.6%		6.5%	2.9%	\$30,001-\$40,000	10.9%
2013	439	249	57.2%	81.1%		5.2%	1.2%	\$30,001-\$40,000	12.1%
2012	404	271	67.0%	78.2%		7.0%	1.5%	\$30,001-\$40,000	12.5%
2011	460	204	44.3%	59.3%	19.2%	3.0%	3.0%	\$30,001-\$40,000	13.7%

For questions or more detailed information please contact the Office of Career & Professional Development.

**Computer Science Internships**

Up to 60% of employers offer full-time jobs to their interns. Internships are just about the best thing you can do for your career. Learn more at: [www.snc.edu/go/studentinternships](http://www.snc.edu/go/studentinternships). The list below provides information on where several SNC computer science students have interned in the past.

- Acuity
- Cellcom
- Georgia-Pacific
- Integrys Energy Group
- Northern Star Industries
- Perception LLC
- Schneider National
- Thrivent Financial
- Wipfli LLP

**Career & Professional Development Resources**

Every student, freshman through senior, should be working with the Office of Career & Professional Development. You can turn to Career & Professional Development for help and information about:

- Choosing a major
- Exploring your interests, values, skills, and personality
- Choosing a major
- Resume/cover letter writing
- Interview preparation
- Internship search and registration
- Job search strategies
- Networking connections
- Graduate school research and applications
- Post-graduate volunteer opportunities
- Individual career counseling
